6. New business-
 - a. Chair Lisa handed out draft of pictures for brochure
A typo was found in the brochure, but it was noted that this should not be a problem to fix. The number of brochures was discussed for printing purposes. It was noted that Dunn Co. needs these brochures that they can hand out to people with questions living in the Town of Colfax.
 - b. Terry Nichols suggested the Town look at the Town of Menomonie's groundwater ordinance
Town clerk previously sent out the groundwater ordinance to all PC members for them to study for future discussion. Terry Nichols had stated that usually at least once a year the Township has invited Neil Koch, a retired hydrologist, for an update on groundwater in Dunn County. Chair Lisa asked Terry Nichols if he could invite him to the July PC meeting.
